

REMARKS

Claims 30, 32-38, 40-45 and 47 to 50 remain in the application. The claims have been carefully reviewed with particular attention to the points raised in the Office Action. It is submitted that no new matter has been added and no new issues have been raised by the present response.

Claims 30, 32-38, 40-45 and 47-50 were rejected under the judicially created doctrine of obviousness-type double patenting as purportedly being unpatentable over claims 1-25 of U.S. Patent No. 6,792,464 to Colin Hendrick.

Without conceding the propriety of these rejections, a Terminal Disclaimer is submitted herewith, thus obviating these rejections. Accordingly, Applicant submits that claims 30, 32-38, 40-45 and 47-50 are in condition for allowance.

If a telephone interview could advance the prosecution of this application, the Examiner is respectfully requested to call the undersigned attorney.

Dkt. 61124-A

The Office is hereby authorized to charge any fees which may be required in connection with this Response and to credit any overpayment to Deposit Account No. 03-3125.

Favorable reconsideration is earnestly solicited.

Dated: February 17, 2005

I hereby certify that this paper is being deposited this date with the U.S. Postal Service as first class mail addressed to:
